

## PoP22 The One I Kissed!

The Christmas splash page was done in digital media. If you take a closer look, you can find all the characters in it.

I was pleased that I was able to explain King's past thoroughly. I hope I can reveal his whole backstory. It was nice being able to show some of Zero's inner feelings as well. He's probably changed since the beginning of the series. I think everyone is gradually maturing.

You skipped  
class today.  
Where did  
you go?

What's  
up,  
Zero?

I guess  
I was  
with you,  
too.

Are you  
outcast?

No  
want to  
know what  
I was  
doing?

I love Zero!

The one who  
kissed me

Was it Iow?

Iow

Really...

It doesn't bother me...

Where's Spade?!

Spade!

What's the problem, King?

Is there a problem, King?

Want to see you down Spade?

Don't, maybe he went out.

Spade!

King?

He's there. Sending you.

I'm going to bed!

Is—

No!

I wasn't curious!

Don't worry about it.

Come here.

Spide! Did you see him? A figure, right?

I don't care.

I tell you...

It's so obvious.

I'm sorry,  
I got carried away.

O-oh,  
yes.

Please  
don't  
forget!

Have  
some  
hot tea.

The queen  
and I were  
twins.

...I shall  
kingdom  
in the  
Magic  
World.

We were  
prince  
and  
princess  
of...

Mother told me  
about the power  
of the princess  
going away.

My dear  
brother.

The queen  
in the portrait  
won't talk.

Unfortunately,  
we couldn't find any  
magical treasures,  
today.

We need  
a lot more  
magical  
power!

That's not  
acceptable!  
She'll never be  
released from  
the spell—

We need to  
collect some  
magical  
power.

What we're  
doing won't  
disturb  
her waking  
state!

At this  
moment

Even so,  
she can do it  
up longer  
than before.

We  
won't  
forget—  
long.

Is something  
going to  
happen to  
this land...  
I'll protect  
you.

It...

I'm an  
evil witch,  
dislike.

In this  
world you  
have been?  
It is like for  
him!

My princess  
My princess!

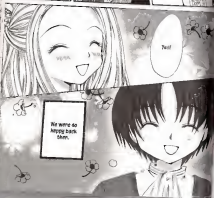

I'll combine  
the evil force  
and protect our  
nation.

It's the power  
passed on to  
this kingdom's  
princess.

Power of the  
princess?

But I'm told  
it'll be sealed  
away if she  
uses it.

Test!

We were so  
happy back  
then.

But if  
anything  
happens to  
this land...

I'm afraid  
of getting  
sealed away.

I'd like to  
protect  
my life.

I'd like to  
protect  
my life.

A sea of darkness...

All I saw was...

It would  
have been  
impossible  
to see the  
light of day.

It is an  
evil world  
born in the  
Magical  
World.

Darkness is

This  
kingdom  
will be  
consumed...

A land once  
as bright as  
day is now  
dark.

This  
kingdom  
will be  
consumed!

So will  
the  
whole  
world.

This can't  
be right!

Please  
stop this!

My  
prince!

# Q & A

- Q. What's hard about drawing manga?
- A. Well... it's rough when the deadline draw near. Staying awake is hard. I also have a tough time when I can't get my storyboard approved.
- Q. What do you enjoy about drawing manga?
- A. Naturally, it makes me happy to have everyone read my manga in the magazine! And I like having the merchandise being made as well.
- Q. Has Pearl gotten chubby lately? (By Goddess T?)
- A. Oh, maybe you're right. Do you think he's had too many bananas? Should I put him on a diet?

Revy

Leopold...

How could this happen?

But... it's done well.

It looks fantastic now!

I don't know...

What is that?

...And that picture also survived.

Dear was defeated.

Get my kingdom was obliterated.

It was just...

...Spade

and I...

And a light.

Came to  
become a  
partner with  
us?

Together,  
we'll find a  
land...

...Where  
we can live  
happily even  
after

We lost  
everything.

We had no  
other choice.

What  
happened?

What?

My  
ring is  
gone!

My--

brother...

...Dear...

Gave  
me...

...When I was  
killed in the  
picture in lieu  
of defeating  
Joker

Green's last  
grudges  
began to  
break.

We  
collected  
using  
treasures.

I gained  
partners.

I decided to  
take in that

and because it  
helped to collect  
the treasures.

I discovered  
that I can break  
the sea!

If I give her  
the magical  
treasures.

One in  
thousand

I really  
can't stop

thinking  
about Ich!

Waa...

Oh  
the  
hell!

I'm

What?  
What  
are you  
doing?

What? How  
could she  
do it?

What?

We will obtain  
enough powerful  
magic to return  
Shun to her  
normal form.  
Correct?

But it's  
still difficult  
to completely  
release her.

That's why  
the legendary  
Pauline's  
power is  
necessary.

Let me  
play it  
safe to  
this.

It would  
be no good  
to capture  
them now,  
King.

What do  
you intend  
to do?

However,  
the Pauline  
Heart, we  
need had not  
finished

I have a  
plan.

If you're  
the legendary  
Familiar's  
sister...  
you must  
have some  
magic power.

True power?!

Show us  
your true  
power.

We want  
the legendary  
Familiar, Pearl,  
and its sister,  
Aria.

These are our  
king's orders.

Correct.

A hint of  
shades?!

This girl  
is the  
treasure  
we want.

Kyaaa!

Get her!

I don't know,  
but I think  
she's after  
you!

What is  
she talking  
about?

Zero...

Ugh...

Ugh...

Aaaa!

Aaaa!

Aaaa!

Aaaa!

Aaaa!

Aaaa!

Aaaa!

Aaaa!

Aaaa!

Aaaa!

Zero...

...It...

Delux.

I have feelings for you...

So why do I feel like this?

Waa...

I was wondering if I should tell you this...

Keep your sight.

Trust me, for better or worse happens...

Waa?

You're  
kidding!

But I was  
the one who  
kissed you.

To be continued in volume 6
